# Planning for Post-Secondary

- Course choices in Grade 11 are significant as they lay the foundation for Grade 12 and post-secondary pathways
- As a result, students should check <http://www.ontariouniversitiesinfo.ca/> and <https://www.ontariocolleges.ca/en/> for the admissions requirements for specific programs at Ontario universities/colleges and choose Grade 11 and 12 courses accordingly
- Students should keep in mind that many Grade 12 courses have Grade 11 courses as prerequisites
