

Grade 1/2 Book Recommendations
from Lara Bafaro,
Crestwood School Teacher Librarian
lara.bafaro@crestwood.on.ca

Hello! Here are some book recommendations for grades 1 and 2 students. I have included a “book trailer” (like a movie trailer, but for books) for you to view. Please browse this list of picture books and early chapter books with your child and see what interests them. Perhaps find a book that you can read together. These books are readily available at the Toronto Public Library as well as our Crestwood library, but the public library often has many copies. Please encourage your children to ask me for any of the books that catch their interest.

Puppy Place
